# Lemoncello Grant Eval

1. Fourth Grade Rebus Activity: May 6 - 40 students

Fourth Grade Lemoncello Board Game: April 29 and May 13 - 40 students

Fifth and Sixth Grade After School Activity: May 13 - 14 students

2. This program included snacks and drinks, a library scavenger hunt, a board game based on the book, a book discussion, rebus puzzles, and prizes. It met community needs by getting children together to discuss a book that they had all read and giving them enrichment and extension activities to enhance their enjoyment of the book. The program helped students to become more familiar with the Dewey Decimal System and the types of books that can be found in each hundreds group. The students were also excited to read the book's sequel and read-alike titles, all of which were purchased with grant funds. These books were the most circulated books in our library for the last month of school.

3. Snacks and Supplies:

# Library Connections

Sterling USD #376 libraries ~ Spring 2016

## Lemoncello Library Fun

SGS 5th and 6th grade students were given the option to sign up for an after-school library activity that included activities and a discussion over the book *Escape from Mr. Lemoncello's Library* by Chris Grabenstein. Our library received a grant from the South Central Kansas Library System to buy multiple copies of the book and pay for snacks, activities, and prizes.

The special event, held after school May 13, included snacks and drinks, a library scavenger hunt, a board game based on the book, a book discussion, rebus puzzles, and prizes.

Because 4th-grade teachers read the book aloud to students, 4th graders played the board game and completed rebus puzzles during library skills class and storytime. One lucky 4th grade student won a drawing to receive a free copy of the book's sequel, *Mr. Lemoncello's Library Olympics*.

All together, 54 students participated in special activities centered around the Lemoncello books. Librarian Amy Brownlee plans to use the books and activities with students again in the future.
